

The many interactions of symplectic and Poisson geometry

A conference in honour of Alan Weinstein's 80th birthday

Institut Henri Poincaré, Paris, 19–23 June, 2023

The conference

This is a conference in honour of Alan Weinstein on the year of his 80th birthday.

The theme of the conference encompasses the various mathematical fields to which Alan Weinstein has contributed during his career, including contact and symplectic geometry, Poisson geometry, micro-local analysis, and geometric mechanics.

Read an [interview](#) with Alan Weinstein appeared in the Notices of the AMS in January 2023.

Author: George M. Bergman (Berkeley). Source: Archives of the Mathematisches Forschungsinstitut Oberwolfach.

List of speakers (not yet finalized)

- Anton Alekseev (University of Geneva)
- Denis Auroux (Harvard University)
- Christian Blohmann (MPIM Bonn)
- Ana Cannas Da Silva (ETH Zurich)
- Marius Crainic (Utrecht University)
- Rui Loja Fernandes (University of Illinois)
- Simone Gutt (Université Libre de Bruxelles)
- Tara Holm* (Cornell University)
- Michael Hutchings (UC Berkeley)
- Lisa Jeffrey* (University of Toronto)
- Yael Karshon (University of Toronto and Tel-Aviv University)
- Yvette Kosmann-Schwarzbach (Ecole Polytechnique)
- Charles Michel Marle (Université Pierre et Marie Curie)
- Eckhard Meinrenken (University of Toronto)
- Eva Miranda (Universitat Politècnica de Catalunya)
- Tudor Ratiu (Jiao Tong University)
- Pierre Schapira (Sorbonne Université)
- Michele Schiavina (Università di Pavia)
- Claude Viterbo (Université de Paris-Saclay)

* Online talks

Registration

Registration is required and is free.

Please register by May 31, 2023 by filling in this [registration form](#).

Notice: after registering you will not receive any automated confirmation email. The list of registered participants, accessible via the link above, will be updated every couple of weeks.

Poster session

The conference will feature a **poster session**.

If you want to present a poster, please send a title and short abstract to this [email](#) address by May 31, 2023. You will have to bring your own printed poster, not larger than A0 format (84 cm x 119 cm).

Financial support (only for participants based in the United States)

For participants based at an institution located in the United States, some financial support for travel and accommodation is available through the NSF.

To apply, tick the corresponding box in the registration form.

Preference will be given to those applying for financial support by May 1.

If you are a Ph. D. student and applying for this form of financial support, please also ask your advisor to send a reference letter to [Xiang Tang](#) by April 30, 2023.
