

Practical information

The conference will take place at the [Institut Henri Poincaré](#) (IHP) in Paris.

The address of the institute is: 11 rue Pierre et Marie Curie, 75231 Paris, France.

More practical information will appear here as it becomes available.

Note: the conference participants might also be interested in the thematic program [Higher structures in geometry and mathematical physics](#) taking place at IHP in the period April–July 2023, whose list of main events can be found [here](#).
